# ABOUT VTC

Virtue Coin is DEFI Community token built on the Binance Smart Chain (BSC) Network, to bring about success to both holders across Africa and to the world at large.

The project is birthed by a community of Crypto enthusiasts from Africa. Virtue coin token will be used as peer-to-peer (P2P) service for payment systems using a dApp wallet in the local currency with very low transaction fees, faster & secure transactions.

Virtue Coin contract address –

0x354f1d67e9138c223Df0Cd5a1E8C984377b08f34

Network – BSC

Decimal – 18

Total Supply – 30,000,000,000

# OBJECTIVES AND GOALS

## Objectives:

1. To be used as a peer-to-peer (P2P) service for payment systems
2. To be used for charity donations.
3. To be used as a mode of payments for faster and secured transactions.

## Goals:

1. To educate people about Crypto, and Blockchain technology.
2. To develop a VTC enabled dApp wallet for staking, and P2P transactions.
3. To create a gaming platform on the VTC ecosystem.
4. For Virtue coin Token to go viral and be adopted by traders from every part of the world in day-to-day trading.
